

A Story Of Faith

[Prompted] by faith, Noah, being forewarned by God concerning events of which as yet there was no visible sign, took heed and diligently and reverently constructed and prepared an ark for the deliverance of his own family. By this [his faith which relied on God] he passed judgment and sentence on the world's unbelief and became an heir and possessor of righteousness (that relation of being right into which God puts the person has faith).

And ye shall know the truth, and the truth shall make you free. John 8:32 KJV

Your Genealogy starts with Noah and his wife, and they had three sons, Shem, Ham and Japheth, and each had a wife. After the flood, they were the only ones saved and they repopulated the entire Earth. Therefore, one third of us are brothers and sisters, and the other two thirds are cousins (read Genesis 5:1-32). This is why, ***"We must learn to live together as brothers and sisters in Christ or perish together as fools; but when we lose the right to be different, we lose the privilege to be free."***

"We are all a piece of God's puzzle."
